

Dear Crystal Family Parents,

We are thankful to have your children attending Crystal Children's Choir this school year. As you might know, Crystal is acknowledged as one of the best children's choirs at the national level by the American Choral Directors Association. Your child will receive best choral music education possible provided by Crystal's professional teaching staff.

We firmly believe that Crystal can provide an excellent choral training program in addition to growing and enriching your child's development. Through choral training and many aspects of music activities, Crystal is able to cultivate team work and challenge your child's emotional and mental growth. Crystal staff will promote respect, harmony, tolerance, independence, self control, self confidence and most importantly "self discipline" to help your child mature.

From the beginning of the school year, please remember that attending rehearsals on-time is a very important commitment. Let's celebrate your child's new beginning at Crystal with a good start!

親愛的晶晶家長：

感謝您的孩子這學期來到晶晶，參加全美唯一獲得合唱界最高榮譽「美國合唱指揮協會」(ACDA)認可的最佳華人兒童合唱團。在晶晶專業的音樂教師指導下，您的孩子將接受一流的合唱訓練。

我們相信，晶晶提供給孩子的，不只是優質的合唱訓練；我們更相信在晶晶的群體音樂活動中，您的孩子將學會終身受用的能力。

晶晶在每周的練唱及不同活動之中，給孩子一個學習情緒智商的環境。在群體音樂的學習中，孩子學到人際關係，互相尊重，和諧相處，了解並表達感受，控制情緒，自信，獨立，以及成長中最需要的自律。這些都是孩子一生需要的能力。

在新的一季開始上課時，請家長帶領孩子最重要的一課，就是準時上課，人生的學習，從此開始。
